Financial Policy

All services are paid at the time of service unless we have a contractual agreement with your insurance company. Since there are hundreds of insurance plans, we ask our patients to make sure you are familiar with your own healthcare coverage and its limits. We are, of course, happy to submit claims for those plans with which we are contracted. However, the basic responsibility for payment lies with the patient. If your insurance company requires a co-payment for visits, you must pay at the time of service. We provide a variety of payment options by accepting American Express, VISA, MasterCard and Discover, in addition to cash or check. Please bring your current health insurance card with you at the time of service. We cannot file insurance without a current insurance card and this could result in rescheduling your appointment.

HOW MAY I PAY? We accept payment by cash, check, money order, and all major credit cards.

DO I NEED AN INSURANCE REFERRAL? If you have a HMO/ POS insurance plan with which we are contracted, you will need an insurance referral authorization from your Primary Care Physician. If you have any questions regarding your insurance authorization referral, please give our office a call prior to your scheduled appointment time. **If you are unable to obtain the insurance referral authorization by your appointment time, your appointment will have to be rescheduled.**

WHAT IS MY FINANCIAL RESPONSIBILITY FOR SERVICES? You are responsible for the payment of your copayment, coinsurance, deductibles, and any patient responsible balance. COPAYMENT IS ALWAYS DUE AT TIME OF SERVICE. If you cannot pay your copayment at time of service we will be glad to reschedule your appointment. Remember payment responsibility belongs to the patient. SHOULD IT EVER BECOME NECESSARY TO USE THE SERVICES OF AN OUTSIDE COLLECTION AGENCY TO COLLECT YOUR ACCOUNT BALANCE, YOU WILL BE RESPONSIBLE FOR ANY COST INCURRED FOR THAT PURPOSE.

PLEASE READ AND SIGN THE ACKNOWLEDGEMENT OF THE FOLLOWING INFORMATION:
